- Man and Environment was published as a single volume from 1977 till 1989. The volume numbers were I to XIII and articles from these did not have any abstract. Volume XIII of 1989 was last in this series.
- Publishing two issues of Man and Environment started in 1989 with volume XIV with a generous grant from the Ford Foundation.
- Volume XIV (2) of 1989 was a special issue on Late Prof. H.D. Sankalia. Including this, articles in volume XIV (1989) and XV (1990) did not have abstract.
- Abstracts of articles started appearing from Volume XVI (1) of 1991, and is continued from that year till date.
